NOTES:

County's percent is shaded if the actual % of the population served is at or over 2.20%. *May include children over 3 who are still receiving services.

Population is 2014 US Census Estimates

The sum by county may not equal the SPOE total due to the child's county of residence not being in SPOE boundaries or the record not being updated yet.

*Active IFSPs as of: 2/1/2016
